Why choose us?

At Sleaford Hall, we offer a diverse range of activities specifically tailored to the preferences of our residents. With bespoke care plans, a comprehensive array of facilities, and a dedicated team, you can have peace of mind knowing your loved one is in safe hands.

Comfort, safety, well-being and happiness are at the heart of everything we do at Sleaford Hall care home. We fully understand how difficult the decision to move into care can be; our friendly team is always on hand to offer you the support you require.

Facilities

This stunning, newly-constructed care sanctuary boasts 67 bedrooms spread over two storeys, all meticulously designed for the utmost comfort of our residents. Each spacious and bright bedroom comes with its own private ensuite wet room, offering a genuine home-from-home experience. With an emphasis on straightforwardness and accessibility, we provide families with the assurance that their loved ones are well looked after. Sleaford Hall has a bistro, hairdresser's salon, sports lounge, music café, activity lounge, garden rooms, landscaped gardens and wellness suite.

Menu & catering

Our chefs offer a four-week seasonal menu that changes daily, using the freshest ingredients. We provide for all dietary types such as vegan, vegetarian and diabetic. We also cater for different textured diets, including a soft diet and a fully modified diet. If there is nothing you fancy on the menu we always have alternative options available for you. We will discuss your diet along with any likes and dislikes on admission. The mealtime experience for you is very important to us. Catering is always on the agenda at the monthly residents' meetings to enable you to give your valuable feedback first hand.

Our Mission Statement

Our Aim

Provide high quality care for our residents, in safe and comfortable surroundings, always promoting independence and choice

Give the families of our residents peace of mind, reassurance and confidence in our service

Attract and retain the best team members, giving them the skills and career pathways they deserve

Work in partnership with all external agencies, building relationships that support our visions & values

Our Vision

To be the service of choice for our residents and their families

To be the employer of choice for our team members

To be the health provider of choice across the Health & Social Care Network

Our Care

We cater for residents who need all varieties and levels of care.

We assess every prospective resident subjectively on an individual basis.

We follow this process with a personalised recommendation, made by our team of highly-trained and dedicated staff members.

We provide any new resident with a bespoke Personal Care Plan, ensuring the most comfortable transition as they begin to write the next chapter of their lives.

Our core values underpin everything that we do, delivering the best possible care and service to all our residents, plus peace of mind or family and friends.

Respite Care

Tanglewood understands the universal need for a respite, a haven away from home. Our respite care services offer a temporary refuge, where individuals receive the utmost in compassionate care, affording caregivers the vital opportunity for self-care. During their stay, respite care residents enjoy full access to our extensive amenities, tailored care, and engaging activities, mirroring the experience of our permanent residents. With our dedicated and skilled team, families can find solace in the knowledge that their cherished ones are enveloped in a secure and nurturing environment.

Residential Care

Our residential care services are meticulously customised to cater to the distinctive requirements and preferences of residents in need of assistance with daily tasks. We furnish a cosy and supportive living environment, where residents preserve their independence while receiving individualised care. Our dedicated team is available 24/7, providing assistance with medication management, personal care, and other daily activities. Our central focus is on nurturing independence and overall well-being, cultivating a warm and interactive community where residents feel esteemed and cherished.

Dementia Care

Our specialised dementia care offers residents with Alzheimer's and other forms of dementia a safe, supportive environment. Our team understands their unique needs, providing person-centric care that promotes cognitive engagement, emotional balance, and purpose in a secure and tranquil setting. We prioritise residents' dignity, independence, and offer compassionate 24/7 support.

Day Care

Our day care services present a flexible and supportive solution for seniors in need of daytime assistance and social interaction. Designed to provide respite for caregivers or offer seniors opportunities for enriching activities, our day care program delivers a spectrum of services tailored to individual requirements. From personal care assistance to engaging social engagements and nutritious meals, our compassionate team ensures each day care participant receives personalised attention and enjoys a fulfilling day within a vibrant and inviting ambiance.

Palliative Care

At Tanglewood, we understand the importance of providing compassionate and dignified care for individuals with life-limiting illnesses. Our palliative care services focus on managing pain and symptoms, enhancing quality of life, and providing emotional and spiritual support for residents and their families. Our interdisciplinary team of healthcare professionals work closely with residents and their loved ones to develop personalised care plans that address physical, emotional, and spiritual needs. With a holistic approach, we strive to create a supportive and comforting environment where residents can find peace and comfort during this challenging time.

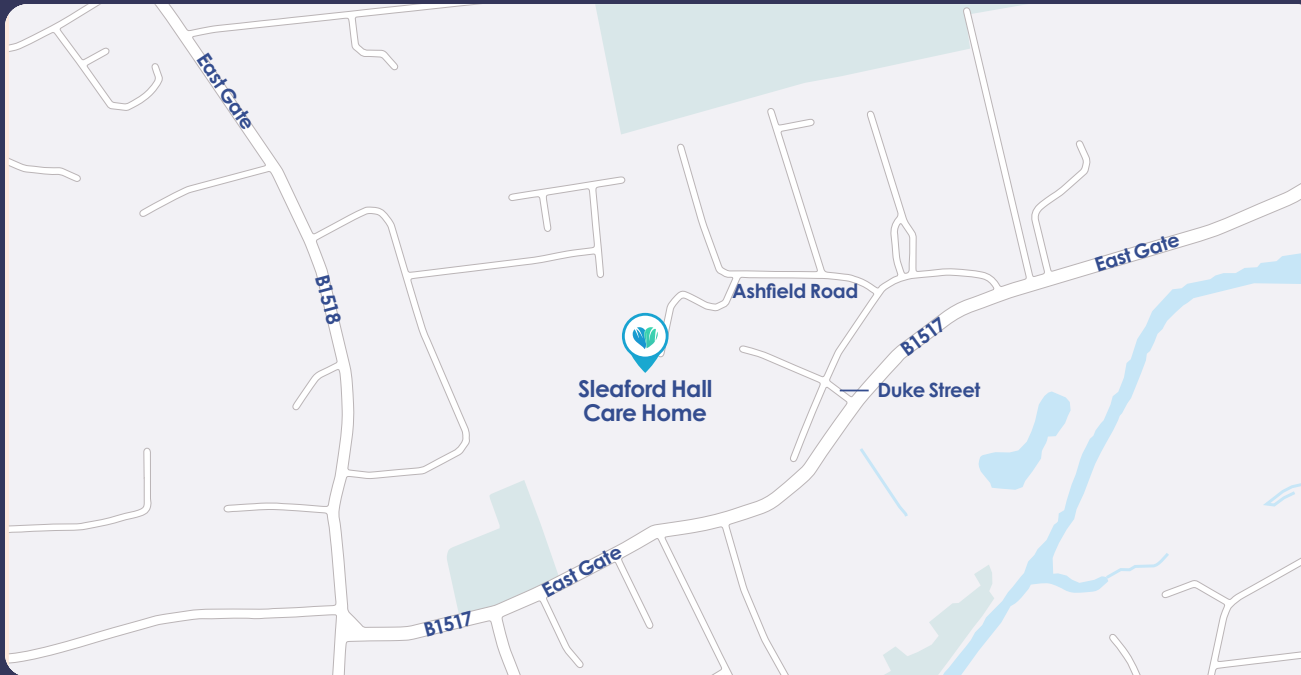

Activities

Sleaford Hall is definitely the place to embark on a new chapter in life with an assortment of daily activities ensuring enjoyment for all. A space to embrace life at your rhythm. It offers a range of activities that appeal to our residents, regardless of interests and abilities. All activities are of course optional, but we do encourage our residents to be involved to increase their social interaction, mental stimulation and, most importantly, their enjoyment. Activities take place in groups, small task groups or one-to-one. Our dedicated Lifestyles Coordinator is an integral member of our team. They ensure monthly meetings are held with our residents to ensure that activities reflect their interests and choices.
